## **Free Lifetime Updates...**

Please send a email to blow address.

[tcngraphicexperts@gmail.com](mailto:tcngraphicexperts@gmail.com)

## Note:

Before opening the presentation install and copy these files as per blow guide. Close all office document files.

## Fonts:

We used throughout this template Proxima Nova and Open Sans Font Family. Here is the link you can download the fonts free:

<https://goo.gl/gosyZD>

## Instructions:

1. Close all Powerpoint files.
2. Download the fonts from website
3. Unzip the folder
4. Copy all the fonts
5. Go-to control panel and open fonts folder.
6. Paste all the fonts.

As per Envato Terms and Condition we can not add fonts in main file. so it is easy to install.

## *Proxima Nova*

Proxima Nova Condensed Black Italic

## Colors Scheme for Windows:

We made 10 color scheme light and dark background version.

## Instructions:

1. Open the folder "Color Template" (included in zip folder)
2. Copy all the files that are in folder

## WINDOWS 7

**Option 1:** C:\Program Files or Program Files (x86)\Microsoft Office\Document Themes 15\Theme Colors

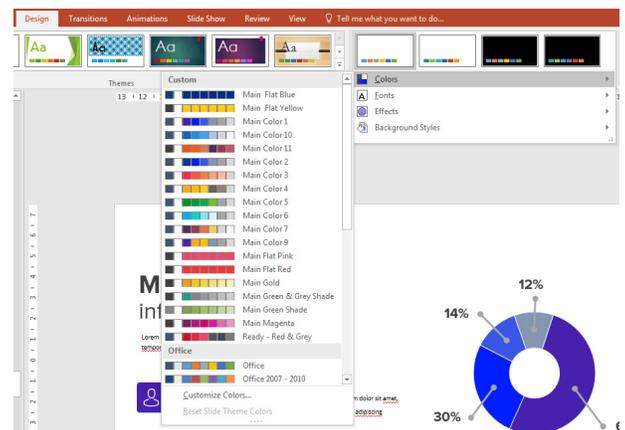

**Option 2:** C:\Program Files or Program Files (x86)\Microsoft Office 15\root\Document Themes 15

## WINDOWS 8 and WINDOWS 10

C:\Users\YourUserName\AppData\Roaming\Microsoft\Templates\Document Themes\Theme Colors

Paste all XML files.

Now Go to the Design tab> drop down the variant tab and easily change the colors

# Colors Scheme for MAC Users:

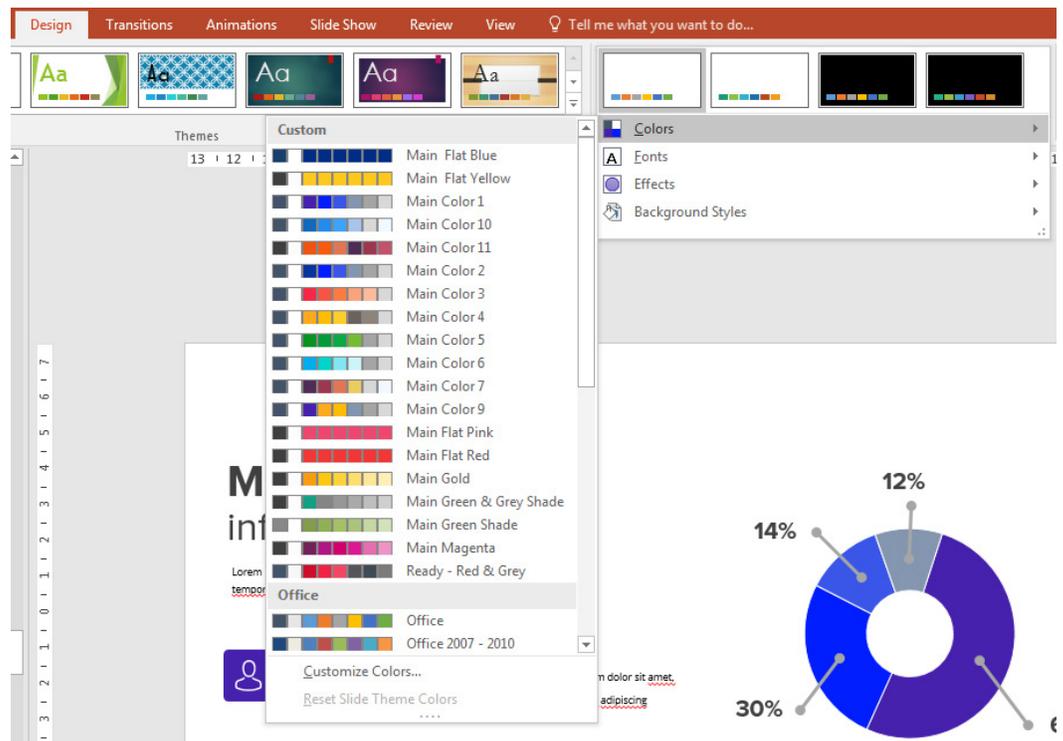

## Mac Office 2011

MacintoshHD\Users:YourUserName\Library\Application Support\Microsoft\Office\User Templates\My Themes\Theme Colors

Note: If you don't see the Library folder please follow these instructions: click the desktop to make sure you're in the Finder, hold down the Option key, then choose Go > Library

## Mac Office 2016

MacintoshHD\Users:YourUserName\Library\Group Containers\UBF8T346G9.ms\User Content\Themes\Theme Colors

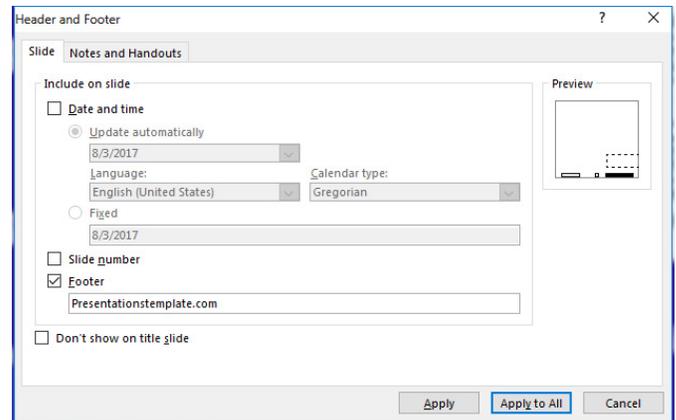

Now Go to the Design tab> drop down the variant tab and easily change the colors

# How to change Footer

## Text Base Footer Method:

1. Go to insert tab, in the Text group, click Header & Footer.
2. In the Header and Footer dialog box, on the Slide tab, in footer change "The Creative Next" and thing you want ,
3. Then do one of the following:
4. To apply the changes to the information on the slide or slides that you selected, click Apply.
5. To apply the changes to the information on all of the slides in your presentation, click Apply to All.

## How to add Logo

If you have your brand logo and you want to show on every slide. Here is the following method.

1. Now Go to View> Click on SlideMaster.
2. Now got to most top slide(1st slide) at top right remove template logo and place your brand logo or any thing.
3. close Master slide.

If you are not sure how to do that here is the video instuction:

[Watch](#)

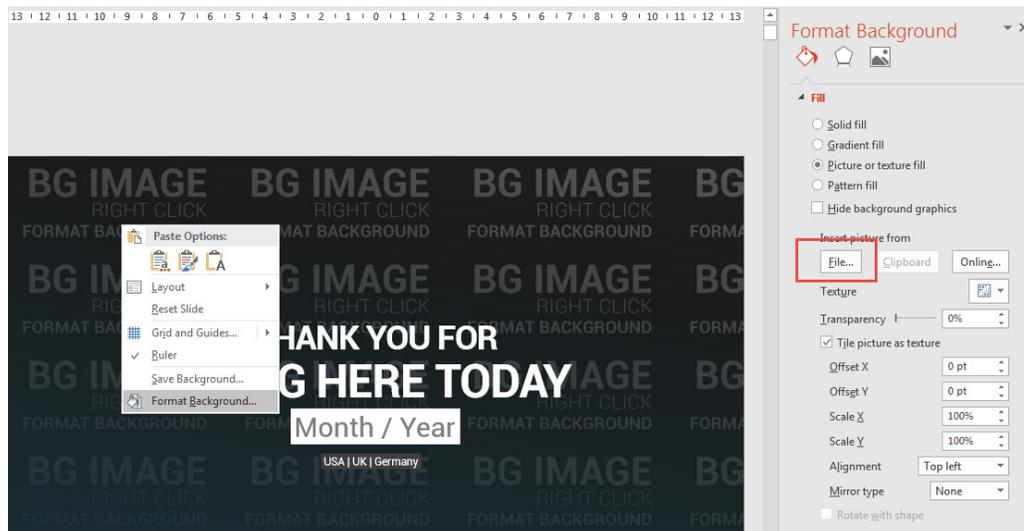

# How to Add Photos:

As per Envato Policy, does not allow any stock images in main file. so in Presentation template we create a Background image Place Holder mock-up where you can easily place your own images.

## Background Image Place Holder Mock-up:

Where you can this mock-up on slides. Here is the following method.

1. Right click any where on slide, click format background.
2. Background format Panel appear. Click on File and Browse any image you want.

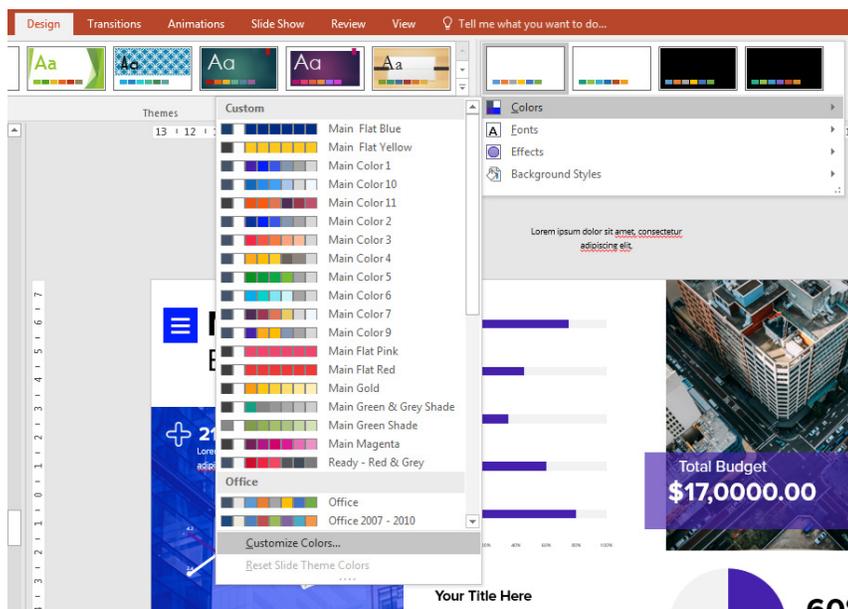

However if you still need all images that we used throughout this presentation. Here the link you can download most of the images.

[Download](#)

# How to add your own Color Scheme

1. From the Design tab, click the drop-down arrow in the Variants group. Clicking the drop-down arrow.
2. Select Colors, then hover the mouse over the different Ready colors to see a live preview.
3. Select the desired theme colors or click on Customize Color
4. Update all desired colors
5. The presentation will update to show the new theme colors.

## What is not Included in Main Files

As per Envato Policy does not allow any stock images in main file. so you can add own images or buy from any stock website.
